Welcome Back to Term Four
Welcome back everyone to another great term. This term as always will be just as busy as the one before. We are having mixed emotions this term, due to it being the last term of primary school for our 31 Year Six and Seven students. On our SWPBS Assembly on Monday they were particularly excited about the prospect. Big events this term include:

- 2015 Leadership Program with nomination forms due in next Friday. Please encourage your child to complete their forms as soon as possible. Speeches and voting will happen on 6 November.
- The Intermediate Band Camp
- The trip to Brisbane to see the Queensland Symphony Orchestra performing
- Swimming Lessons begin in Week Three with the Swimming Carnivals in Weeks 8 and 9.
- Year 6 and 7 Transition to High School
- Graduation celebrations in Week 10

School Values and Rules - Signage
We are constantly teaching our students about our school rules and values. Over the school holidays we have had a range of beautiful new signs installed in and around the school. These signs serve as teaching opportunities for teachers and as reminders for students. The signs focus not only on our values and rules but also on some expected behaviours around the school, eg how to line up and how to move in the courtyard etc. Next time you are at the school have a look around in the Undercover Play Area, Hall and Courtyard. Some photos of the signs are on the following page.
Principal’s 100% Attendance Club
At the end of last term we celebrated with students who had been at school all term. Beside is a photo of these great students. At the Club this term we should be having several students who have had 100% attendance for the entire year!

Parent Teacher Interviews
Thanks to the many of you who came to the interviews on Wednesday evening. It was great to catch up with you and I trust you received good advice about your child’s progress. Many people didn’t arrive for their interviews so I’m asking teachers to make contact with you to catch up at another time. We had less parents attend interviews than usual from 4:30 pm onwards. We would value feedback from parents on the interview processes to see if there is something we could adapt and/or do better. We don’t want to see attendance numbers drop off, as it is too easy to think that things are going well, but it could also mean that things are not going well and parents are choosing to stay away. So please, drop us an email or a phone call to let us know your feedback. At each interview time I always stress that it is your right to speak with teachers. To this end you are welcome to make contact with the office to make an appointment or with the teachers directly on their email addresses.

Graduation Slide Show – YOUR HELP URGENTLY NEEDED!!
Each year we make a slide show of our graduating students’ time at primary school. This year we will be making the “movie” for both Year 6 and 7. A vital part of the movie’s structure is the photos of the students which we pull together from our files. But we also need two photos from you; one baby photo and one first day of school photo. Please send these in urgently to the office in an envelope with your child’s name written on the front. We will scan them and return them to you. Alternatively you can scan them and email them yourself to admin@eskss.eq.edu.au – jpeg format please.
**Administration**

**Fun Swimming** - starts in Week 3 of next term and goes for 5 weeks. The cost is $5.00 per student *(Year 1 to 7 only).* Some of you may have already paid for this at the start of 2014. If you are unsure that you have paid, please call our office on 5424 4111 to check prior to sending in payment with your child. Please remember that any money coming into the Administration Office needs to be placed in a sealed envelope with the following details written on the front – student’s name, roll class, what the payment is for, and the dollar amount enclosed.

Electronic Devices, Phones etc - Please reiterate with your children that any phones, electronic devices, etc. are handed in to the Office for safekeeping, immediately upon entering the school grounds. These items may be collected after the 2:45pm bell. Toys from home are also discouraged from being brought to school at any time.

**Sport – Mrs Rollston**

Reminder for Term 4: Swimming in PE lessons for **ALL** classes will begin in **week 3** after the holidays. Please make sure your child has all their swimming gear ready. Year 6/7 will be on Wednesdays (10:15). Year 1 (12:15), 1/2 (11:30), 2/3 (1:30), 3/4 (10:00), 4/5 (8:45) and 5/6 (9:30) classes will be on Thursdays. Preps will swim on Friday mornings after Parade. Children need to wear their **swimmers**, a **sun shirt** and a **swimming cap** in the pool. They also need to bring a towel and may bring goggles if required. Please make sure everything (swimming gear and school uniforms) is clearly named. If any parents/caregivers are able to help in or out of the pool it would be greatly appreciated, especially in the younger classes. Having smaller groups means more swimming for the children. If you are able to help please let your child’s teacher know. Swimming is part of the curriculum and is compulsory. The office will be notified of students who repeatedly don’t swim.

Mrs Rollston is teaching the students how to play newcombe in the school hall. The children enjoyed learning a new sport and will continue to play newcombe for their PE lessons until their swimming lessons begin in Week 3.

**Music – Mr Smith**

Well done Concert Band for your performance at the TYME Festival in Toowoomba before the holidays. You acted very professionally and played well at the Festival.

Get ready Junior Choir, Senior Choir and Band because next week is Over 50’s club. On Wednesday October 15, all of our three ensembles are performing at the C.W.A. hall in town at 10:00am. After that we will have lunch at Pipeliner Park and then go back to school. Make sure you have your hat, lunch and water bottle for our walk downtown. It’s going to be a fun morning performing for our friends at the Over 50’s club.

**Literacy and Numeracy Support – Mrs Oxenford**

Three Year 6 students and eight Year 4 students will be participating as two separate groups in Project 600 Reading this term. The students will attend two online lessons each week with an online teacher from Brisbane School of Distance Education. The students were selected based on their NAPLAN Reading results. The program is aimed at turning good readers into great readers and will run for eight weeks. This week the students learnt how to use the online tools which will be used in their future lessons.

**Head Lice**

With the warmer weather starting, please check your child/ren’s hair regularly and treat as necessary.
Welcome back to Term 4 everyone. It looks like another busy term. As well as an exciting curriculum we will also be running our transition program to get the preps ready for Year One. This involves some everyday changes to routines. For example the preps will start eating with the big kids and have access to the top oval at play times. We will also have a visit from the Kindy children and an open morning for next year’s intake. We start swimming lessons in week three and will need a few parents willing to hop in the water and help out. Let me know if you are available straight after parade on Fridays. I expect to be able to go directly to the pool from parade. If you are running late you’ll need to bring your child’s bag to parade. Be reminded that our preps do not do the fun swim sessions with the rest of the school. Thank you to all parents who were able to make it to Parent/Teacher Interviews. I know that this time is very short and only gives us time to cover the work samples in the curriculum, so if you need to talk about other issues please make an appointment for another time after school. Keep working on those sight words as I know some children are keen to get their next medal. It can take up to a hundred repetitions or more before sight words become automatic so don’t be discouraged; be persistent and regular.

This year has zoomed past so quickly! Year One are very busy looking at stories from other cultures and retelling them in their own words. We hope to use a paint programme on the computer to create pictures to match our text. In Mathematics we are looking at making groups of objects equal. We also are going to be looking at 2 digit by 2 digit addition. If we reach 40 gotchas each we will be having a Super Hero day (in 9 weeks). We are trying so very hard to achieve this goal!!

Note from Admin: If your child has received spare clothes last term, could you please wash and return them, as we have no clothes left when little accidents occur!! If accidents are regular, please put a spare set of clothes in their school bag.

Wow! Did the Year 1/2s return from the break with a great learning attitude! So we had an impressive start to the week and got out of the blocks running. Everyone was keen to know their Gotcha count and were already plotting ways to get to that next Gem. (OK the fact I might have mentioned that the Treasure Chest had been replenished and I’ve finally organised a crate of Lego might have increased the motivation factor slightly!) Actually we have quite a few Eskies who are so motivated it’s sometimes hard to get them to stop and go and have lunch. The final term of the year is traditionally a busy time with assessment and swimming but add in a few other activities like gymnastics, the Over 50s presentation by the school band and choirs, fun swimming, Parent/Teacher Interviews, Arts Council, Music Parade, swimming carnival, just to name a few. So the Little Eskies will be flat chat.

We’d like to welcome a new student to our classroom. He’s so lucky to be part of the best class in the whole valley – no wait, the whole world! We hope he enjoys his time with us.

Welcome back to Term 4. Everyone looks nice and refreshed from their break. This week we had Parent/Teacher Interviews. It was great to catch up with parents and discuss student progress. Spelling this week for students on level 2 is Unit 23. Testing for this unit will occur on Monday next week.

We have quite a few things happening this term where parent helpers would be of great assistance. If you can help in the classroom with Reading, Changing Home Readers, Sight Words or Assist supervising students in the pool during swimming lessons and Fun Swim activities, kindly fill in the form attached to the term letter and return it to school with your child.

After a relaxing break we’ve shared our holiday news and then launched back into the Australian Curriculum. The class is reading the novel, Fantastic Mr Fox by Roald Dahl in preparation for creating a dialogue piece between two characters. I can’t wait to read these scripts and watch the presentations. We will be constantly busy in Mathematics, covering all strands in preparation for new Year Levels next year.

In Science we will be investigating ‘The case of the Missing Statue?’ If you have any information as to what might have happened to the statue please contact the Year 3/4 Crime Scene Investigation Unit. Our officers are very interested in solving this mystery.

Our school job this term will be to assist the Year 6/7 students with Sports Shed duty. The Year 3/4 students really enjoy taking on new responsibilities.

Any parents who didn’t get the chance to attend our Parent/Teacher Interview night please feel free to make an appointment if you wish to discuss your child’s progress.
**Year 4/5 – Mrs Nan**

Welcome back to term four and a big thank-you to Mr Kim Cook for once again watering our garden over the holidays. This term we will be looking at putting nets over our garden as we seem to be losing a lot of our vegetables to the wild life. Last term we finished the written section of our Historical Recount and are now practising to be able to present it orally to the class. Although students are practising at school your child may also bring it home to practice.

**Year 4/5 – Mrs Dolan**

Welcome back to Term 4! Another busy term lies ahead. This term we welcome Mr Greg Okulov (Preservice Teacher) to our room. He will be enjoying the experience of working in our room over the next few weeks. You will soon be receiving the class term letter giving you information about what we will be studying throughout the term as well as a class calendar. The class calendar contains a lot of information about activities which will occur during the term as well as important assessment dates. Homework will begin in Week 2. Our Peridot Gotcha Award list is growing.

**Year 6/7 – Mrs Smith**

We have hit the ground running this week with finishing off last term’s work and making a start on new work too. Your child has received a Term 4 Calendar this week and a Term 4 Parent Letter. Please ask your child for these if you have not received them. Over the weekend children should be studying what they have learnt about numbers less than zero ready for their test on Monday 13 October.

**Year 6 and Year 7 Students – Mrs Smith & Mrs Dolan**

We have started work on the Year Book with the students in Years 6 and 7. Students have been writing about events from this year and from years past. We would like some more photos. Please send in any photos of the following for each child in Year 6 and Year 7:

1. A baby photo (For the Movie)
2. A first day of school photo (for the Movie) regardless of which school your child attended.
3. Any group photos from times at Esk State School (for the Year Book and Movie).

**Around our School**

**Student Council- Mrs Smith**

There are two Student Council events scheduled for Term 4 this year.

1. Friday 31 October- **Freaky Friday and Ice Cream Spider Day.** Students are encouraged to come in Freaky Dress or Free Dress for the cost of $2. Please ensure that all clothing is appropriate for school. 2 scoops of vanilla Ice Cream in a cup with a spoon can be purchased for $2. Children can also purchase a drink (Soft drink, Juice or Water) and a straw for $2. If children wish to have all three items they can buy a Freaky Deal for $5. Children can pre-pay or pay separately on the day.
2. Monday 24 November- **Movie Day.** Details of this day will come out in a future newsletter.

**Chappy's Chat**

All boys in Year 6 and 7 have been invited to participate in the A2B program, with permission forms and a school letter going home late last term. Just as a refresher, A2B is a fun Action Based Learning program where students build and work on topics such as teamwork, communication, identity, trust, responsibility, acceptance, forgiveness, and encouragement through team building and self-development games and activities. I already have a number of student forms returned, and if your child would like to attend but has not received a form, please come and see me (Chaplain).

On a very important point, it is coming towards the end of the year and there’s always a lot of evaluation and future planning happening. Whether it’s a phone call, a face to face chat, a note dropped in at the office, or an email please let me know if there is something you would like to see happening at the school (parent support group, homework club, specific activities, healthy eating program, faith based group, cooking club, etc.) or if there’s some way I can improve the Chaplaincy service for yourself or your child/student. I’m keen to improve connection with parents and build the best service I can. So I’d ask if you could please take a minute to pass on your thoughts and ideas. Thankfully - Chappy Ryan

**Enrolment Forms and Dates**

Year 6 and Year 7 students attending TSHS in 2015. Please complete and send your enrolment forms to the TSHS admin office ASAP.
Celebrations

Star Pupils
Prep
Always working quietly in class.
Year One
Being a “Spelling Champion”.
Year One/Two
Brilliant spelling, behaviour and trying hard.
Year Two/Three
Starting the term with a positive attitude.
Year Three/Four
Working well and completing an English task.

Great effort with your Historical Recount.
Year Five/Six
Excellent work in History.
Year Six/Seven
Outstanding work in Technology.

Special Award
Prep
Improved handwriting and manners.
Year One
Being an engaged learner.
Year One/Two
Putting her hand up to ask for help.
Year Two/Three
Being responsible for herself.
Year Three/Four
No awards this week
Year Four/Five
Working well in Spelling.
Year Five/Six
Great work in History.
Year Six/Seven
Great work in Technology.
Great work in Technology.

Mathletics Certificates
Gotcha Gem Cards
Peridot (20 Gotchas)
Opal (40 Gotchas)

Names and Photographs removed for privacy reasons.
**P & C News**

**Tuckshop** – Can you spare two hours on a Tuesday or Thursday morning? **The Tuckshop needs volunteers.** If you can help, please let the admin know or drop into the tuckshop and see Lesley or Kim. Out of our 120+ families we only have two helpers!

**Year 6 and 7 Graduation update**
Thank you to those six Year 6 and 7 parents who attended our recent P&C meeting to discuss the Year 6 and 7 Graduation Evening. It was unanimously decided not to provide a sit down dinner for the night but rather the P&C facilitate a sausage sizzle at second break after Graduation night followed by a pool party for the Year 6 and 7 students in third session. **Could any Year 6 and 7 parents who can either assist with the sausage sizzle or donate ingredients for the sizzle & party please contact Mel Hatch-Green, Michael Rollston or Bec FitzGerald - to date we have one parent donating goods and one parent helping with the sausage sizzle. Please let us know if you can donate or help. Thank you...**

**Uniform Shop**
The Uniform Shop is open every Wednesday morning between 8:15am – 8:45am. At the last P&C meeting it was decided to increase the cost of the school polo shirts by $2.( The last price increase was over 8 years ago!) All Esk State School, Eskdale and Ivory polo shirts are now $20 each. Check out the Clearance form on the last page of this newsletter for a bargain.

**Aus Lotto Fundraiser**
This runs for 8 weeks - which works out to $2.25/week. Numbers are $20 each and if your number is drawn you win $40 cash. Draw to commence once all numbers are sold. Thanks to those families who have purchased numbers. Come on folks, please support this fundraiser, put your $20 in an envelope with your preferred number and pop into the P&C box in the office admin area. Thank you!

Thanks to our many Mum’s, Dad’s, Grandparents and Carers, who once again were able to help either set-up, bake or serve on the morning of our Hogs Morning Tea(Harley Owners Group Brisbane). The 109 riders were well fed, rested and able to continue on their journey to Lowood in record time. The funds raised will go toward a new oven in the tuck shop. The HOG’s group has already booked us in again for next year – so watch this space........
Swooping magpies
(Photo: Magpie on fencepost. Copyright: Mat and Cathy Gilfedder)

Only a small proportion of magpies swoop on people and these often have a preference for a few individuals that the birds recognise or certain types of ‘targets’ like pedestrians and cyclists.
A magpie will only defend its nest within a ‘defence zone’. For pedestrians, this is usually an area within 110m and for cyclists it is 150m.
Almost all swoops on people are carried out by male magpies defending their eggs and chicks, which are in the nest for about six to eight weeks between July and November.
Magpies often become more aggressive as the chicks become older, but swooping usually stops once the young have left the nest.
A magpie’s defensive behaviour can range from a non-contact swoop with or without beak snapping, through to pecking, dive-bombing and sometimes front-on attacks from the ground.
A few attacks are more serious leading to bloodied ears and cheeks or even eye injury. The risk of eye injury means all magpie attacks need to be taken seriously.

Staying safe

- Wear a broad-brimmed hat and sunglasses or shelter under an umbrella to protect your face from swooping magpies (painting or sticking large ‘eyes’ on the back of your hat can also deter magpies—but this won’t work for cyclists).
- If a magpie swoops while you are cycling, it will probably stop swooping if you get off your bike and walk.
- Avoid ‘defence zones’ by taking alternative routes during the breeding season.
- If you must enter a ‘defence zone’, magpies will be less likely to swoop if they are watched constantly, or if people walk in a close group.
- Use signs to warn others of the location of nests and defence zones, particularly in areas used by children and the elderly.
- Waving sticks or umbrellas in the air or attaching a brightly coloured flag on a long pole to your bicycle can stop magpies from swooping.

Being magpie-friendly

- Don’t fight back if a magpie swoops. Throwing sticks and stones or yelling at a magpie are likely to make it more aggressive next time anyone enters the defence zone around their nest.
- Never approach a young magpie. Fledglings that have just left the nest or have fallen out are likely to be under the watchful eye of a parent. If you pick them up or get too close the parent bird may think you are a possible predator and become defensive in the future. If you believe they are at risk, wait until after dark before you pick them up and place them back in a tree.
**The Circus is coming to town!!**

Look for your flyer with the newsletter today.

**Esk District Junior Cricket Club**

Under 14 training will be held each Wednesday at Toogoolawah State School cricket practice wickets at 3:15pm. Training will commence on Wednesday 8th October, 2014.

Does your son love cricket? Does your son wish to improve his skills? Would your son like to meet like-minded cricket lovers and be trained by experienced coaches?

If so, then the Toowoomba Grammar School Cricket Coaching Camp is for your son.

**Details:**
- **When:** 11-13 January 2015
- **Where:** Toowoomba Grammar School
- **Age:** 10-13 year old boys
- **Cost:**
  - $275 (incl GST) Live out
  - $400 (incl GST) Live in
- **Inquiries:** (Sport and Activities Office)
- **T:** (07) 4687 2529

SUPPORTING SOMERSET VOLUNTEERS

Somerset Regional Council is pleased to deliver several events designed to acknowledge and build Somerset sporting clubs and volunteer organisations. We hope you can join us.

EXCELLENT CLUB COMMITTEES

Tuesday, 14 October
6pm, Esk Bowls Club
This is a very valuable workshop for club committees. This session will provide information on legislation and regulations, how to get the best out of your members, and keeping your club on track.
RSVP by Thursday, 9 October

BOUNDARIES AND CONFIDENTIALITY

Tuesday, 21 October
6pm, Fermowle Futures Complex
Workshop on Basic Practice Guidelines - for helping hands and support people.
This training workshop will deliver basic practice guidelines including boundaries, confidentiality, self-care, and managing vicarious trauma.
RSVP by Friday, 17 October

SAVE THE DATE

International Volunteer Day
Friday, 5 December 2014
Somerset Civic Centre, Esk

RECRUITMENT AND PROMOTION

Thursday, 18 September
9.30am, Simpson Lord Room, Esk Library
Need to boost your volunteer recruitment? Find out how you can link with volunteers and available opportunities in the community. This session will explore the most effective ways of promoting your volunteer group and activities in Somerset.
RSVP by Tuesday, 16 September

GRANT WRITING

Wednesday, 19 November
7pm, Alexandra Hall, Toogoolawah
A grant writing workshop combined with briefing on the Community Benefits Fund.
Tips and advice for community groups preparing to write grant applications and specifically the Gambling Community Benefit Fund.
RSVP by Monday, 17 November

For information and bookings contact
Somerset Regional Council on 5424 4000
or mail@somerset.qld.gov.au
