Term 4 Week 7

20 November 2015

**Dates to Remember**

**November**
- 23 – Student Council Movie Day
- 26 – Swimming Carnival
- 30 – Year 6 Transition Day TSHS

**December**
- 1 – Year 6 Transition Day TSHS
- 3 – Great Attendance Day
- 8 – Report Cards go home
- 8 – Year 6 Graduation Evening
- 9 – Year 6 Farewell Parade
- 9 – Year 6 Pool Party
- 10 – Break-up day
- 11 – Clean-up day

**January 2016**
- 20 – Uniform Shop Open
- 27 – Term 1 Starts

---

**From the Principal's Desk**

**School Review**

Our Review concluded yesterday. I’d like to thank all those who gave their time to be interviewed by the Reviewers including; Michael Rollston - P&C President, Pruellen Kunde – Parent, Graham Rutherford – Volunteer, Mrs Cornford – Toogoolawah SS, Mrs Beu - Toogoolawah SHS, Rea – Esk Kindy, Ryan and Donita – Chaplains, all admin, all teachers, teacher aides and facilities. It has been a huge process but a very productive one. Out of this will come our improvement agenda for the next 4 years. The report will be ready just in time for the end of the year. Publication to the school community will be done in due course.

**Welcome to Step up into education**

Step up into education is a Queensland Government commitment to better prepare and support children to make the transition to school, and to support parents to become involved in their child’s education. Under the Step up into education initiative, 24 Queensland schools (http://education.qld.gov.au/schools/stepup/educators/schools.html) from areas of disadvantage are receiving funding to deliver school readiness and transition initiatives to suit the needs of their local community.

A positive start to school leads to a greater and ongoing connection with school and is linked to positive educational and social outcomes. Children who have a positive start to school are more likely to regard school as an important place, have high expectations regarding their ability to learn and succeed at school with better attendance, achievement and attainment.

---

**School Attendance**

School Target = 95%
Last week = 89.6%
This Week = 95 %

**Be Safe**

**Be Respectful**

**Be a Learner**

---

Great state. Great opportunity.
Supporting transition to school
The basis of a positive transition to school for all involved is the establishment of collaborative and respectful relationships. During the transition to school educators (http://education.qld.gov.au/schools/stepup/educators/index.html) have opportunities to build relationships with fellow educators, children, families (http://education.qld.gov.au/schools/stepup/families/index.html) and communities. For families, transition provides the opportunity to build connections to the school and the personnel who will support their child in their new learning journey.

Resources (http://education.qld.gov.au/schools/stepup/resources/index.html) have been developed to assist schools, families, educators and teachers (school, kindergarten, child care and Prep) to support children to make successful transitions into Queensland schools. Please use the links above to glean more information about transition to school. Information has been sent to the Esk Kindy for distribution.

2016 School Leaders
Following the counting of the votes on Friday afternoon the following students will be our Leadership Team for 2016:

- School Captains- Jessica Versace and Davis Rollston
- Eskdale House Captains- Katie FitzGerald and Alli Dennehy
- Ivory House Captains- Sophie Lawrence and Nicholas Wilkes
- Music Captains- Seondin Granzien and Jacob Jess
- Student Councillors- Jack Drake Muir and Darci Lawson

On parade this morning they were publicly recognised and congratulated. Congratulations to you all.

Administration
Payments to school - Due to the shutting down of finance processes for the end of year, no monies can be accepted in the final week of school. Please refrain from sending any payments to school with your child during this time.

Swimming Carnival
Thursday 26 November

Parents are welcome to order their lunch from the normal tuckshop menu – but please drop your order in by 9:00am to the main tuckshop in the under-cover play area. Your orders will then be delivered to the pool with the student’s lunches in time for the lunch break.

Please make sure that you pre-order as there will not be “spare food” available. Cold drinks and iceblocks will be sold from the canteen during the swimming carnival.
Celebrations

Star Pupils
Prep
- Working well in English
- Contributing fantastic ideas for the class big book

Year Prep/One/Two
- For great improvements in handwriting
- A brilliant attitude toward his schoolwork

Year One/Two
- Fantastic reading
- For an outstanding effort in numbers facts

Year Two/Three
- Working co-operatively with her peers
- Always being kind and friendly to his peers

Year Three/Four
- Great work in Science on your “Force” diagram
- Great work on your Geography explanations

Year Four/Five/Six
- Impressive reading in your film review on The Polar Express

Year One/Two
- Amazing goal setting
- A fabulous artistic recount

Year One/Two
- An outstanding effort in spelling
- For an outstanding effort in Reading

Year Two/Three
- Adapting well to a new classroom
- Being a friend to all

Year Three/Four
- Great work on your historical narrative
- Great work on your historical narrative

Year Four/Five/Six
- Showing initiative. Always willing to help out classmates.

Year Five/Six
- Leading by example
- Paying attention to details

Special Award
Prep
- Working well in all areas
- Quick recall in word study

Year Prep/One/Two
- Amazing goal setting
- A fabulous artistic recount

Year One/Two
- An outstanding effort in spelling
- For an outstanding effort in Reading

Year Two/Three
- Adapting well to a new classroom
- Being a friend to all

Year Three/Four
- Great work on your historical narrative
- Great work on your historical narrative

Year Four/Five/Six
- Showing initiative. Always willing to help out classmates.

Around the Classrooms

Prep – Mrs Richter

The Preps have been designing machines with moving parts. Lots of new vocabulary is being used to describe and explain how these machines work. We have been encouraging deeper understanding and some higher order thinking skills like creating, evaluating and analysing. The children demonstrate how their machine works and make adjustments to their machine. They have a go at communicating how they would improve their design. This is part of their unit of work in Science.

In maths we have been working on measuring and addition. We have been counting in patterns and using this as an addition strategy. Some children are starting to make the connection between the two. The preps are now more familiar with their learning goals in Number and Reading and can see how having a goal will help their learning. In English we are continuing to write letters to story characters. This encourages the children to see things from different perspectives.

Year P/1/2 – Mrs Kitching

This week we have been finishing off lots of testing in all subjects. We have set ourselves some personal goals and some goals in English and Maths.

We have made an awesome chart showing our goals and we are all aiming to slam dunk the ball into the hoop. If we achieve a slam dunk we have achieved our goals.

Our Buddies have showed us how to use a new computer programme called “Photo Shop”. We have used this programme to accompany our procedural texts. We will present these to the class on the smart board this week.

Year One and Two students have constructed three questions to ask their grandparents for their History assessment. We will use this information to write about one of our grandparents.

Year 1/2 – Miss Quade

Year 1/2 have had an excellent fortnight. We have been busy completing our assessment and what a great effort everyone has put in! We are still working on number facts. Lately they have been doing single digit subtraction facts.

In Art we have been exploring primary and secondary colours. The students have had great fun mixing primary colours to enhance their artwork.
**Year 2/3 – Mrs McTaggart**
Below are a couple of photos from the class party last Friday. All the children were very well mannered and polite. Thank you to all the parents who made some lovely things to eat.

![Photos from the class party last Friday.](image1)

**Year 3/4 – Mrs Nan**
Arts Rotations are now finished. What a great job on building the Slab Huts. Well Done! Group C.

Today Year 3/4 had a special visit from Mr Greg Grimes from Landcare. He came to have a look at our garden and discussed how Junior Landcare will be able to help us next year.

We have finished our garden edging. It looks fabulous and really finishes off the garden beds.

![Garden edging finished.](image2)

**Year 4/5/6 – Mrs Dolan**
Only four weeks to go! We are currently finishing assessment tasks. Our film review on The Polar Express was completed by most of the class on Tuesday. There are some very persuasive reviews – I might have to watch the movie again it sounds so good! We will finish our Geography assessment task later this week. Don’t forget our number facts! We are having a test later this week to see if we have improved since the beginning of the term. I’m sure there’ll be some great results!

**Year 5/6 – Mrs Smith**
Don’t forget to send back your child’s Work Sample Folders so we can add this term’s work before it comes home for good at the end of Term 4. We have been hard at work and have many things to add now.

In Maths we are have started work on Data Displays. We are using all of the empty cereal boxes that have been brought in to analyse the nutritional value of different cereals. Next week they will be completing a Guided Inquiry on a Mathematical Question.

In English we have been hard at work analysing News Reports. Children should, by the end of today, have finished Part B of their Written Response, including their Rough Copy. Next week students will be allocated class time to type up their Good Copy ready for handing in the entire English Assessment. Students who are not yet up to typing up their final draft will need to work on this over the weekend.

**Esk State School’s Explicit Improvement Agenda**
Our agenda for improvement is to improve Teaching Practice, Deliver a high quality Curriculum, Build and Foster Partnerships, and Leadership and Capability.
In Term 4 we sharpen our attention to include a focus on Number Facts.
Learning Support – Mrs Oxenford

GAMES ON THE GO...
What are the types of things parents can do at home to help their children become better at maths and improve their problem solving skills? Take advantage of every opportunity that’s available including time spent in the car. The key thing to remember is that you want to ensure that children remain positive about maths, therefore you will need to skip the pencil and paper computations. Computations are easily done on the calculator. Children today need to become problem solvers!

Here’s a list of ideas that will improve mathematical thinking skills while you’re out in the car.

Data Management/Statistics
Data and statistics occur early in school these days, as early as Prep. Making tally charts can be a great ‘in the car’ activity.

1. Keep a tally of the number of trucks and cars. Make a chart with 2 columns. Put ‘cars’ and ‘trucks’ at the top of the columns. Put a tally mark in each column for each truck or car you see.
2. Keep a tally of the colours of trucks and cars. Brainstorm first what colours you might see. Make a chart with the colours at the top and put a tally mark under each colour, use c for car and t for truck.

At the end of the trip, analyse your data using questions like: Were there more cars or trucks? How many more were there? What’s the most popular colour for trucks and for cars? Why might that be? What is the least colour seen? What seems to be the second favourite colour?

Activities like these are similar to the classroom activities and help to strengthen skills in data management and analysis.

Sport – Mrs Rollston
Swimming Carnival
The interhouse swimming carnival is next Thursday 26 November starting at 9am.

Order of events:
25m freestyle
25m freestyle with kickboard (not considered for age champion)
25m breaststroke
25m butterfly
50m freestyle
50m breaststroke
50m backstroke
50m butterfly
9 & 10 yrs freestyle relays
11 & 12 yrs freestyle relay
Ivory v Eskdale v Staff v Parents freestyle relay
Presentations of age champions and winning house

It is expected that all children have a go in at least one event but hopefully more. Every swim gets at least 1 point for the house. Heats and finals will be swum in some age groups if necessary. A break for lunch will be taken around 10:50. Please make sure your child has plenty of water and sunscreen. Sun shirts do not have to be worn to swim but a shirt must be put on straight after their event. Girls wearing bikinis will have to wear a sun shirt whilst swimming. Please pre-order lunch from the Tuckshop by 9:00am.

PE Swimming – There will be no PE swimming lessons next week, but there will be swimming the following week. (Week 9)

Library News – Ms Benson
The student’s last week for borrowing is this week. All books are to be returned by Friday 27 November ready for the stocktake. If you are unsure of which library your child has borrowed from, or if it is our book, just check the barcode on the front of the book. All our books have Esk State School written on the barcode and stamped inside. Otherwise send a note or give me a ring on Thursday or Friday of each week for any other enquiries.
Year Six – All Graduating Students —Mrs Smith

Plans are well underway for the Year 6 Graduation activities. We have started work on the Year Book with each child already contributing a written piece. Ms Benson will continue to work on the Year Book with the students this term. Children in Year 6 will receive a copy of the Year Book at their Graduation Ceremony. Mr Crichton has also begun work on the Movie. We require photos from each graduating student for both the Year Book and the Movie. Please send in a baby photo, a first day of school photo and any group shots you might have of school activities over the years.

The following are dates for graduation activities this term:

- **Year 6 Graduation Ceremony - Tuesday 8 December** 6pm for 6:30pm start. Last week all students in Year Six made invitations to their Graduation. These were then sent home. If you have not received yours please ask your child for it. Note this is not a Dinner. At the end of the ceremony we will share the Graduation Cake.

- **Year 6 Farewell Parade - Wednesday 9 December** 8:45-9:45am

- **Year 6 Pool Party & Sausage Sizzle - Wednesday 9 December** 1:30-2:45pm

High School Transition programs vary from school to school. Many of the students graduating from Esk State School will be attending Toogoolawah State High School in 2016, due to this fact the transition information published from Esk will be regarding Toogoolawah SHS. Students who will be attending other high schools need to make sure they are aware of their high school transition details by contacting the school directly. Please notify us if your child is attending a transition day at another school so the roll can be marked accordingly. Note that Toogoolawah SHS requires completed enrolment forms prior to the students attending the transition program. If you have not completed these forms yet please do so as soon as possible.

- **Years 6 Transition TSHS - Monday 30 November and Tuesday 1 December**

Sydney/Canberra Trip 2016 —Mrs Smith

Thanks to all those who have paid their $100 deposit for the Sydney/Canberra Trip for 2016. If you still need to send in your money please do so as soon as possible as we need to finalise our books for the end of year.

In the Garden with Mr Smith

As you may have noticed from my last newsletter I like to take the lazy approach to gardening, but you need to remember that to get to that stage there is a bit of preparation.

Here is one of the latest trends - Straw bale or Lucerne bale gardening. The idea is to lay the bale on the ground on the string side, sprinkle it with blood and bone and some sulphate of potash then water it down and keep moist for at least 2 weeks until the heat that will develop cools off. Then dig a hole in the bale, place soil or compost in the hole and plant your vegetables. The bale will break down over time leaving you with some good soil. To make more just repeat the procedure.

Because I live on a stone mound left over from the quarry that operated on the property, I have no soil to work with other than what I have dug from other areas on the property and brought into the house yard, so I have been using the bales as garden edging (4 or more in a square) filling the centre with soil then planting trees or climbers, etc in the centre, then into the bales I plant vegetables! When it breaks down I replace the bales or just add garden edging to finish it off. For more information on straw bale gardening just google ‘straw bale gardening’.

Next time I will talk about more options for “no dig” gardens.

Student Council — Mrs Smith

**Movie Day**— the Student Council will be hosting a Movie Day on **Monday 23 November**. This will be the last event hosted by the Student Council for 2015. Movie Day will be held during middle session. The classrooms in B Block will each host one of the movies. Children are welcome to bring along a cushion, pillow, bean bag or sleeping bag to enhance their viewing comfort.

Students can purchase a Movie Deal for $5.00. This will include popcorn, drink and free dress. Or these can be purchased separately - $2.00 for a drink (soft drink, juice or water), $2.00 for popcorn (salty butter or caramel crunch) and $2.00 for free dress. You can pre-pay or pay on the day.

Children will be able to choose from these movies -Penguins of Madagascar (Rated G), Paper Planes (Rated G), Alexander & the Terrible, Horrible, No Good, Very Bad Day (Rated PG) or Night at the Museum Secret of the Tomb (Rated PG). Note that to attend a PG movie, students will need to return a PG permission form. One is provided in this newsletter and there are copies in the Admin foyer.
MOVIE DAY

The Student Council will be hosting a Movie Day on Monday 23 November 2015 during school time. Children will have a choice between the following movies – Penguins of Madagascar (Rated G), Paper Planes (Rated G), Alexander & the Terrible, Horrible, No Good, Very Bad Day (Rated PG) and, Night at the Museum – Secret of the Tomb (Rated PG). Children who wish to watch one of the PG movies will need to bring back the signed permission form.

A Movie Deal can be purchased for $5.00 per student. Money for Movie Deals will be accepted at the office until 3:00pm Friday 20 November, or you can pay your child’s teacher on the morning of Monday 24 November. While the movie is free of charge the $5.00 Movie Deal will include Free Dress, Popcorn (salty butter or caramel crunch), and choice of Drink (soft drink, juice or bottled water). Children are encouraged to bring along a pillow or sleeping bag or bean bag or cushion so they can relax in comfort in front of their chosen movie. Children may purchase the items separately if they prefer. The prices are - $2.00 Drink, $2.00 Popcorn and $2.00 Free Dress.

Please return the applicable forms to the office

Date: ________________________________
Chappy’s Chat

The much anticipated Annual Chappy’s Handball Competition is on again this term!!! We have already completed round one with students competing in dual level year groups. So, first up we had the 1’s and 2’s versing, then 3’s and 4’s, and now the 5’s and 6’s. With the full 12 square court layout it takes a little while to warm up, but the students have had some great rallies. If time permits we shall run a second round across all groups to decide the winners for this year’s Championship.

A2B is our Senior Boys group that started a couple of weeks ago with an open invite going out to our year six students. The group gathers during first break on Fridays mostly with the aim of having fun, to be something a little special for the year six cohort as they prepare to move on from primary schooling, and to reflect on some of the things we can learn and apply from our activities. Topics like team work; guidelines, rules, and personal choices; communication; goals; values; and personal qualities to name a few. It’s a great group, and although it can be a bit boring to talk sometimes...well...sometimes it’s good to talk about stuff, but not too much.

As always there are great SU camps on during the coming holidays, including SchoolzOut specifically for year 6 students, The Quest Christian Faith Camp, Father/Son Gents Camp (boys only!), Camp 628 for those middle years, and Ubertweek (that’s ‘oober’) Summer Technology camp. If you would like more info see Chappy, or check out SU Camps on the web. If you would like to discuss any of the things mentioned or anything else, please come and see us or let the lovely staff know and we can catch up with you. Blessed to Be a Blessing – Chappy

P & C News

P&C Meeting: Next P&C Meeting will be on Monday 15 February 2016 6:30pm in the Staffroom (D Block).

AGM: Monday 21 March 2016 6:30pm

Uniform Shop – The Uniform Shop will be open on Wednesday 20 January 9:00am – 12:00 noon for all your back-to-school uniform supplies. If you would like to pre-order your uniforms and pick them up on the Wednesday before school starts, please fill out a Uniform Order form from the Admin foyer, mark on it “Pick-Up on 20/1/16” and pay when you pick up.

Swimming Carnival 26 November – Can you volunteer your time (1/2 hour) to help man the canteen at the pool? Please phone the Admin office on 5424 4111 to volunteer. We will be selling drinks and ice-blocks from the canteen during the day.

The tuckshop will still run on the normal menu for the swimming carnival, but all orders need to be placed by 9:00am at the main tuckshop. The pre-ordered food for both parents and children will be delivered to the pool for lunch.

MEDIA RELEASE
16 NOVEMBER 2015

Council to Temporarily Close Road for New Development

WORK will soon start on construction of a new $1.6 million sports park at Fernvale.

Last week Somerset Regional Council awarded the tender to build the Fernvale Sports Park Development to a Somerset-based business.

A&M Civil Contracting provided a suitable tender to build the sports park on vacant land near Brouff Road and the Brisbane Valley Highway at Fernvale.

The site will become home to multi-use sports field with four netball courts, an AFL and cricket oval, a rectangular rugby/soccer field, change room facilities and amenities block all being built on the land.

As part of the construction phase, Council will temporarily close Brouff Road to all through traffic which could take effect as soon as Tuesday, 17 November 2015.

The road will remain closed until construction is finished in June 2016.

Somerset Regional Council Mayor Graeme Lehmann said the road closure would allow construction of the sports park to be completed sooner.

“While there will be some minor inconveniences to residents in the short-term, Council will be able to have this sports facility operational in a lot less time for the benefit of the wider community,” Cr Lehmann said.

“The closure will also allow a safe work site for everyone involved with construction of the development and reduce the disruptions in the long term.”

Cr Lehmann said the road closure means residents will have to use nearby sealed roads.

“It’s not much of a detour at all but Council acknowledges that a few people who live in Fernvale Estate use Brouff Road as a short cut to access the Brisbane Valley Highway,” he said.

Cr Lehmann said Council was delighted to award a local contractor with the contract to build the facility.

“Everyone is excited about the Fernvale sports park being developed and the sooner we have it finished and open for community use the better,” he said.

In December 2014, the state government committed $800,000 under the Get Playing Plus funding pool towards Council’s $1.6 million development project.
