**From the Principal’s Desk**

**Sydney and Canberra Trip Finally Here**

Next week students from our school will be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $60 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion. (This amount was deducted from the total amount parents were required to pay, thus reducing the price)

The week of the trip has finally arrived. We wish all travellers a safe and educational trip. We look forward to hearing about all the learning and fun you experience. Family and friends can ‘Like’ our school’s FaceBook page for daily updates on progress. Thank you for your great support of this trip, it will be a life-long memory for all. A special thank you to Mrs Smith for her meticulous coordination of the event.

**Important Information for Year 6**

Sent home with this newsletter was two attachments. Most importantly an Expression of Interest letter about enrolment to Toogoolawah State High School and secondly a letter and tuckshop menu for an upcoming Transition Sports Day to the high school. If you don’t get these two pieces of information please contact our office.

**No parade this Friday**

Due to the Athletics Carnival, there will be no parade this Friday.

Great state. Great opportunity.
From the Principals Desk continued…

Athletics 2016
On Thursday and Friday this week, we will be holding our Athletics Carnival. Students aged 4-8 (those turning 8 this year) will participate in athletics program in the morning, then tabloid sports activities from 1:30pm on Thursday in the hall. A special thank you to the Toogoolawah High School for providing willing volunteers to support with scoring at the Tabloid Sports.

We welcome the support from parents/caregivers, grandparents, aunts and uncles to cheer on the students in their various events over the two days.

School Review Report Back to Community
Since undertaking the School Review in December last year we have been acting on the Improvement Strategies which were identified. We had our Three Month progress review in March and I realised that I’ve been remiss in not reporting the findings. Please accept my apologies. Three Month Review findings:-

Improvement Strategy 1
Collaboratively review and develop the whole-school curriculum and assessment plan to reflect the class structure and ensure alignment, consistency and rigour.

Actions by School Teams
1. Head of Curriculum recruited
2. Teams of teachers collaboratively planning, moderating, assessing and reviewing
3. Review current curriculum documents to ensure alignment
4. Review current Whole School assessment plan

Findings by Reviewer on Progress in the above four actions:-
- The school is funding a 0.5 Head of Curriculum (HOC) in 2016 using Improvement For Success (I4S) funds to support the implementation of the school’s action plan.
- The HOC is meeting regularly with teachers and is developing agreed protocols for these discussions. Information gained will be used to inform professional learning.
- The Assistant Regional Director (ARD) provided feedback about early gains made in the way most teachers are working collaboratively.
- The school is undertaking processes to map units of work, align resources and unpacking the assessment demands embedded in units.
- The regional Curriculum, Pedagogy and Learning (CPL) team is working in partnership with the school and affording this work some priority.
- Curriculum information is being communicated in newsletters.
- Support is being provided for all staff while the reforms in Curriculum and Assessment are being implemented.

Improvement Strategy 2 will be published in the next newsletter.

Head Lice - Part 2
What to do if the product of choice does not work
If the product is not effective, ie. head lice are not dead at the end of exposure time, you can switch to the non-chemical method while waiting 7-10 days before re-treating with a different active ingredient. Continue checking the effectiveness of treatment products until an effective product is found, or use the non-chemical method.

Why treatment agents may not work
True treatment failure has occurred when live head lice are detected immediately after the end of exposure time to a treatment agent. Failures can sometimes occur even when solutions are used according to the manufacturer’s instructions. This may be the result of using an ineffective treatment formulation or the lice having become resistant to a particular treatment agent. It is then preferable to change to a different formulation or another treatment agent with a different active ingredient, or use the conditioner and combing method.

The reappearance of head lice in a short time after a successful treatment (ie. all lice were dead after the exposure time) does not indicate treatment failure. It could be due to head lice hatching from eggs which survived the initial treatment or re-infestation from another source. Ensure that you maintain a weekly detection routine and apply follow-up treatments as specified in the treatment section.
Head lice do not jump or fly. They are spread mainly by direct head to head contact. They have strong claws and move by swinging from hair to hair. This can happen when people play, cuddle or work closely together.

A few head lice have been found on combs, hairbrushes and pillowcases. However, transmission from these objects can only occur when the item is used within the 24 hour period following use by an infested person. This is because head lice can survive only up to a day away from the human host. Head lice must feed on human blood every six hours to replenish their water supply or they will die from dehydration. The longer they are away from a human host, the weaker they become and the less likely they are to infest the next person.

Head lice do not live or breed on animals, bedding, furniture, carpets, clothes or soft toys. Their life cycle must be completed on the human head.

Head lice are a very common problem in schools and institutions everywhere in the world. While they are not a threat to health and do not transmit disease, they do cause a lot of distress and anxiety for families and schools. Anyone can get head lice. They affect all socioeconomic groups and are not a sign of poor hygiene. They have no preference for ethnic background, hair colour, hair type or age.

Detection of head lice

All parents should check their children and other family members for head lice regularly as early detection decreases treatment time and helps break the breeding cycle.

The most effective way to detect head lice is by using the hair conditioner and combing method. You will need white coloured hair conditioner, an ordinary comb, a fine tooth head lice comb and white tissue/kitchen towel.

- Apply sufficient white conditioner to dry hair to completely cover the scalp and hair from roots to tips.
- Use an ordinary comb to detangle hair and evenly distribute the conditioner. Divide the hair into four sections.
- Comb hair from root to tips using a fine tooth head lice comb.
- After each stroke, wipe the comb onto a white tissue, checking the comb and tissue for head lice.
- Combed the whole head, checking for lice.
- Put all tissues in a plastic bag, tie the top and put the bag in a rubbish bin.

All members of the family/household should be checked once per week using this method as long as infestation remains within the household.

Prevention: While there is no need to vacuum, wash or treat with insecticide any furniture, clothing, bedding (except pillowcases), toys, carpets or hats, the following actions can be taken to help prevent infestation/re-infestation:

- Avoid head to head contact with other persons.
- Keep long hair tied back or in plaits, especially at school.
- Do not share brushes, combs, or pillows.
- Wash combs and hair brushes after each use (60oC for 30 seconds).
- Pillow cases of persons known to be infested should be washed daily on hot cycle or put in the clothes dryer for 15 minutes.
- Treat all household members whose head lice have been detected.
- Keep hair short, particularly during an outbreak. It is easier to detect and treat head lice in short hair.
- Notify your school so that others can be alerted to the problem and can check for head lice and arrange treatment if necessary.

Help and assistance: For more information and assistance in managing head lice, families can contact their local public health nurses, child health clinics, pharmacists and family doctors.

Administration

Child Absences: If your child is absent for any reason, please phone the Admin Office on 5424 4111 to let the school know. A reason must be recorded for each absence as directed by State Schooling (Ed Qld).

BookClub – Due this Friday 3 June. No late orders can be accepted.
Celebations

Star Pupils
Prep  Great work on his retell planner in English
Year 1/2 K  For having his audience on the edge of their seats with his narrative
Year 1/2 Q  Incorporating noun groups with her writing task
Year 3/4 M  Working co-operatively with others
Year 5/6 D  Determined to do her best in writing
Year 5/6 S  Striving to achieve

Special Award
Prep  A great effort in Maths
Year 1/2 K  Writing a very entertaining narrative
Year 1/2 Q  Fantastic effort in spelling
Year 3/4 M  Actively participating in all areas
Year 5/6 D  A wonderful effort to complete your writing task
Year 5/6 S  Working well in class

Mathletics Award
Accelarated Reader Award

Raffle tickets will be available at the Athletics Carnival. More information is in the “Community” section of the newsletter.

Names and photographs have been removed for privacy reasons
**Around the Classrooms**

**Prep — Mrs Richter**
The Preps are on track with their assessment items. In Science we are choosing materials suitable for a wind ornament and testing the materials to see if we made good choices. In English the students are doing story retells using a retell planner. In Maths we are covering time, location, number and measurement. In Geography the task is to map the classroom and answer questions about how to care for this place. In Health students record their ideas about growth and change and identify actions that assist them to stay healthy. If your child has been absent with illness we will do our best to catch them up before they attempt any assessment items. The children have enjoyed some wonderful times recently when the Kindy came for a visit and practises for Sports days. They have approached assessment tasks relaxed and with confidence.

**Year 1/2 — Mrs Kitching and Miss Quade**
On Wednesday 25 June we joined other students around Australia, via the internet, and listened to the story “I got this hat.” We were a part of the Simultaneous Story event! At the end of the story we wrote stories about a hat we would have liked to wear. We also drew pictures of our hats and tried on some special hats and had our photo taken. Please take some time to have a look at our work. Mrs Kitching and Miss Quade were super impressed with our writing efforts. We have included some of the fantastic stories for you.

**Year 3/4 M — Mrs McTaggart**
We have a very busy end of term ahead with a lot of assessment tasks and completion of work. It greatly benefits students who are in attendance to learn all the concepts taught for the assessment tasks. Attendance reduces stress and anxiety with the student as they have been exposed to all necessary tasks to complete assessment. Due to Athletics, homework is not going home this week.

**Year 3/4 N — Mrs Nan**
During weeks 7, 8 and 9 we are finishing our Science, Technology and English assessments. Please try to have children at school every day as this gives them the maximum amount of time to achieve great results. Please ensure that children have had a good nights’ sleep and a healthy breakfast.

Could you also have a discussion with your child regarding their school supplies, as some children need new Maths and English books. Due to Athletics there will be no homework this week.
**Year 5/6 D – Mrs Dolan**
The end of term is approaching and we are finishing our assessment tasks before many in the class leave for their Sydney-Canberra trip on Sunday. There is a lot of excitement at the moment with our Athletic Field Events on Thursday and the Athletics Track Events and Ball Games on Friday. Who will win? Eskdale or Ivory? Let’s wait and see!!!

I am taking Leave from Tuesday 7 June to the end of Term 2. I will be back at school on Monday 11 July.

**Year 5/6 S – Mrs Smith**
It has certainly been a busy term. All the students have worked hard during our class time together. We have now finished the assessment items for the report card that will be sent home at the end of this term, but we have begun new work that will go towards the report card at the end of the year.

Next week we are off to Sydney and Canberra which will be a wonderful and adventurous week for all of us I am sure. I am taking Long Service Leave for Weeks 10 and 11 of this term. I will be replaced by another teacher during this time. I will be back at school on Monday 11 July.

Year Six shirts have arrived.
Don’t they all look fabulous!
**Student Council – Mrs Smith**

Thanks to everyone who has supported the Students Council this semester. It has been great working with such a fabulous group. Mrs Rollston will be taking over as the staff liaison for Student Council for Semester 2. While I have enjoyed my work over the last few years with the student leaders I am looking forward to doing something different next term.

**Sydney/Canberra Camp – Mrs Smith**

Finally, at long last, we are heading off on the much anticipated Sydney/Canberra trip on Sunday night. Parents can you please check to see if your child has completed the pre-camp activities in their Camp Booklets before Sunday night and ensure that their Camp Booklet is in their back pack for camp. Students need to be at school at 6pm on Sunday 5 June along with all their good things. Please follow the packing directions from the List of Things to Bring. Keep us in your thoughts on those chilly mornings next week as it will be even colder in Canberra I am sure. You might like to follow our travels on the school Facebook page.

**Athletics – Mrs Smith**

We are holding our school athletics carnival this week. New record holders, age champions, house points, trophy winners and Team Esk will be included in the next newsletter.

**Master Teacher – Mrs Burgess**

I would like to take this opportunity to share the Master teacher project with our families. This year Mrs McTaggart and Mrs Nan have joined me in a project that focusses on identifying the types of mistakes students make when solving mathematic work problems and target those mistakes so that students can move on.

Both teachers have planned together so that I am able to work with both classes on the same problem solving strategies. I am able to work with every child in the year three and four class and this has allowed me to really get to know the students on an individual basis.

We began our lessons with the ‘Predict and Check’ strategy. We noted that it was not simply a guess but an informed choice based on our maths knowledge. Many of the students looked a little worried at first but this changed as they worked and re-worked the math problems until we found a solution. As the students’ confidence grew, I noticed they were wanting to be challenged with harder questions or wanted to pose questions for their classmates to solve.

It was good to see students getting excited about maths. Mrs McTaggart and Mrs Nan know what I am teaching and what the students are learning and they include opportunities for students to practise their new skills. We are also concentrating on student reading ability and how that impacts on student learning. Some students will be getting added support to address their needs in reading.

The Master teacher project commenced in Term Two and we plan to carry it through to the end of the year. There are ten problem solving strategies to learn so we have plenty to do. If the first few lessons are any indication, we are going to have a really good problem solving year.

**Library – Ms Benson**

**Readers Cup competition**

The Somerset Lockyer Regional Readers Cup will be held on Friday 17th June at the Lowood State High School Hall on Prospect St, Lowood. Parking will be available on Prospect Street.

Teams are invited to arrive by 10am for a 10.30 start. This should allow time for toilets and a snack. Students are welcome to picnic outside the Hall after the event. (approx. 1:00pm to 1:30pm)

Books will be available for purchase on the day.

Our quiz master for both competitions will be Brian Falkner author of Super Freak and Taskforce: Team Recon Angel.

Each team will consist of a maximum of five students. Only four students may compete at any one time and teams are encouraged to rotate members each round.

**PRIMARY BOOKS – Years 5 & 6**

- Super Freak by Brian Falkner
- Elephant Man by Mariangela Di Fiore
- Tom and the Midnight Garden by Philippa Pearce
- Escape from Wolfhaven Castle by Kate Forsyth
- On Track by Kathryn Apel

Laugh your head off
Ipswich Poetry Feast
As part of the Ipswich Poetry feast competition, poet Lorraine Marwood visited Esk State School and worked with some of the Year3/4 students. The competition is a national competition run to encourage young and aspiring poets. The students composed some wonderful work and will enter their poems in the competition which closes at the 29 July, 2016. The competition is open to children and adults with prize money, medallions and certificates to be won.

Run
Wiggle!
Go hide
Under the blanket
Quick Teddy!
Ahhhh, monster

Super Iron
Trouble,
Wide stretch,
Flying in the wind,
Freeze, quick, now!

Stuck
Move!
Quick, fast
Don’t get hurt, run
You made it!

Wow
Whoosh!
Huge tail,
Out in the ocean,
Incredibly big,
We’re never scared!

Music – Mr Smith

Congratulations to our newest band members. Just look at the size of our band now!!

Names and photographs have been removed for privacy reasons
Children learn language every single day and in almost everything they do! When you’re on the go, a perfect way to spend time with your child is to play a GAME ON THE GO...Here is an idea for a game that is easy to play, build language, and doesn’t cost a thing! Remember, play these games in the language you know best.

The game for this fortnight is: **Telephone Number:**
Say a list of 3 to 5 numbers. Say each number, like “3-6-9-4-5”. Don’t say “thirty-six thousand, nine hundred forty-five”. Have your child say the numbers back to you in the right order. As this gets easier for your child, add one more number. Let your child give you a list of numbers to repeat!

**Chappy’s Chat**

Just a quick update regarding the "Creativations" writing competition. As we will not be having our usual Friday this week, I shall be announcing the winning participants at our next full parade.

**Queensland Father of the Year Award** - The aim of the award is to recognise the significant role fathers play in their children’s well-being and development and to raise awareness of the value of fathers in the family and the community. It identifies and honours outstanding fathers for their exceptional commitment to raising their children or for their exemplary contribution to the development of children in the community. Nominations can be made online at qldfatheroftheyear.org.au or please see Chappy Ryan for a form. Nominations close 15 July 2016.

**KIDS GAMES!!!** Coming these holidays...the most exciting thing for primary students to hit Somerset!!! Kids games is an awesome few days of Fun, Craft, Sport, Food, and excitement had by all, and it’s held right here in Somerset in Toogoolawah. Please check out the flyer for details, and I hope to see you at KG 2016!!!

**Struggling with debt, bills piling up and no idea how to pay for it all...**then CAP may be just the answer for you. **Christians Against Poverty (CAP)** is an award winning debt management charity that has a growing network of services throughout Australia. Thousands of families have been released from the pressure of debt through a combination of advice, financial education, budgeting and/or insolvency services. No...CAP is not just for Christians. No...This is not a gimmick...CAP services do not cost anything and are a completely free service. CAP’s unique and non-judgemental approach means you are supported all the way as you take each step out of debt and towards freedom. CAP is also a recognised and trusted organisation within the finance industry, with an understanding that CAP involvement leading to better results for all. Their aim and motivation is to see people living life in abundance free from the crippling grip/weight of debt. For more information you can contact CAP on 1300 227 000, or speak to Chappy Ryan, grab a flyer and start your journey towards being debt free now.
P & C News

P&C Meeting: Next P&C Meeting will be at 6:30pm on Monday 20 June 2016 in the Staffroom (D Block).

Uniform Shop: The Uniform Shop is open on Wednesday mornings 8:15 am – 8:45am. If you are unable to come at this time, you can complete an order form and leave with payment in the P&C box in the foyer and your uniform order will be completed and delivered to your child’s classroom.

Community News

The Biggest Morning Tea Monster Raffle

Thank you to the kindness of the Helping Hands thrift store in Esk, the Butcher shop in Esk and Sammy Powdrell’s Alternative Therapy (Indooroopilly) as we have the most amazing raffle prize to announce!
