

What we do

We focus on building community around our school, improving the place for our kids, and providing services for families.

Here are some of the things our volunteers do for the school community:

- School Tuckshop with a focus on healthy food choices (open Wednesdays and sports carnivals at request)
- Uniform shop at the school - Wednesdays (before school and by appointment)
- Second-hand uniform pool
- Scholastic Book Club
- Fundraising to improve the school such as the Colour Run, or the chocolate fundraiser.

We'd love to hear your ideas for improving what we do.

We rely on many hands to do what we do
All offers of help make a difference, and we welcome new faces!

Some ways to help include:

- Help for a few hours in the tuckshop
- Serve at the uniform shop
- Come to P&C meetings
- Turn sausages at a sausage sizzle!
- Bake for fundraising events
- Sort lost property or the second-hand clothing pool
- Help in the classrooms, during swimming or even in the library!
- Seek donations
- Assist at school sporting events
- Get quotes for building projects
- Run a fundraiser

To find a job that suits you, come to our next meeting or join our email distribution list.

Why join in?

P&C volunteers tell us they:

- meet others in the community and make friends
- feel satisfied helping the school and making it better for the kids
- understand more about what happens at school
- love seeing the kids' happy faces
- get to know the teachers better
- learn new skills and share my own
- have an opportunity to input into school life and development
- set a good example for their kids
- show my kids (and yours) that what they do at school matters.

Your children will benefit too.

Research shows that when parents are involved, students get better grades, have a better attitude to school and improved behaviour!

The P&C is a volunteer-run organisation that is here to support the school and community.

All school parents and carers are able to be members and are more than welcome!

We're the focal point for parent participation in the school. Coming along doesn't mean that you have to be involved with everything. There is the potential for new friendships, and great socialisation. Being involved demonstrates to your kids that you value their work, and that what they do matters too.
